

NOTICE – FINAL EXAMINATIONS REQUIREMENT

Dear Student:

Please be advised that with reference to final examinations scheduled to commence on 30th Nov 2015 and last until the 18th Dec 2015; you will be required as is customary to walk with and produce your updated Student ID Cards and examination slips to invigilators before you are allowed to enter the examination room.

However the Registry has taken into consideration that since the issuance of new Student IDs had only commenced on the 2nd Nov 2015 and approximately only 2000 students have been issued IDs cards to date, an appropriate and accommodating system will be implemented for both new students and continuing students to allow the examination process to flow smoothly.

Please see below your instructions based upon your student status:

APPLICABLE TO ALL REGISTERED STUDENTS

All students are required to produce the following before entering the examination room:

- Exam Slip
- New or Old Student ID card
- National ID Card or Valid Passport

For those students that do not have any of the following: Student ID card or National ID card or Valid Passport; you are required to obtain the following before you are allowed to write your exams:

- A Passport size photograph that has been stamped and signed by either a Justice of Peace or a Minister of Religion

N.B. Please take note that the picture must have an official stamp and signature; and should be presented at the examination room along with the exam slip.

Kind Regards,
